

LD10,SILENCER,10"DIA DUCT

Item no. 411286

Document type: **Product card**

Document date: **2016-11-12**

Generated by: **Systemair Online Catalogue**

Description

Easily-fitted silencer for circular ducts, fitted with a connection which is compatible with a standard spiral duct. The LD effectively reduces noise in the duct. Two silencers can be used together in installations where noise reduction is critical. For the most effective noise reduction, the silencer should be fitted immediately behind a fan or bend.

- Insulation thickness 2 inches
